

Job Opportunity: Eastern Region Territory Manager

ACI Services Inc., a growing leader in the dynamic gas compressor industry serving the natural gas, refinery, and chemical markets, seeks a proactive leader and team player to fill the Eastern Region Territory Manager position.

The Eastern Region Territory Manager will become a critical contributor to the company's sales goals, providing sales leads and marketing intelligence along with analysis in support of the organization's strategy.

The successful candidate is one who not only possesses the knowledge, skills, abilities, and other characteristics required for the job but also identifies with our values and culture.

Why ACI?

ACI is a leader in the world of compressors, with deep engineering expertise and customer focus that has made it successful since 1960. Our core values are accountability, customer focus, integrity, and professionalism. Our mission is bold: *To influence every compressor in the market!*

We care about our people. And we recently asked them, "What sets ACI apart from other companies?"

Here's what our leaders said:

- Stable company – We have been in operation for 55 years
- Provide skills for your next job – opportunity for growth
- Believe your time is valuable – family is important
- Be a team member of an industry leader – brand and company are known and respected
- Average tenure is 10 years – team members stay with ACI
- Ownership is involved in the company – focused on the team and the business
- Benefits package – very competitive
- Location – Small town atmosphere within driving distance of large cities

Here's what the team said:

- New challenges everyday
- Leadership is willing to adjust work schedules to accommodate life
- Company is family oriented
- Our ideas matter and are listened to
- Our work makes a difference
- Great co-workers and a great work environment; the people and culture are genuine
- Innovative products and ideas

Being part of ACI means being part of something bigger than you. It's about being part of an organization that takes pride in its excellence and innovation, competing and doing business around the globe. Everyone has the chance to make an impact.

To continue our success, we need additional top-notch team members. ***Maybe that means YOU.***

The Opportunity and Who We Need

ACI is looking for an Eastern Region Territory Manager to manage and grow a North America based territory through the sale of ACI parts, services, and products into the Reciprocating Compressor Market via Part Resellers, Mechanical Service Providers, Equipment End Users, and Lease Fleet Operators. The primary objective is to generate revenue through the development of strategic relationships with existing partners as well as generate new opportunities.

The ideal candidate will be knowledgeable with how the reciprocating compressor market operates recognizing the different layers that exist between the OEM and the end user, understanding the importance that each play with the maintenance of the compressor equipment. The candidate will be able to integrate this knowledge into the ACI Strategic Plan for growing ACI sales business with all industry providers, equipment owners, and end users accordingly.

The Eastern Region Territory Manager will be extremely proactive by establishing plans and tactics within each market segment identifying customer needs, challenges, and decision criteria for sales by setting sales targets per customer, per product, and per account.

This individual will be an integral part of the ACI sales team and work within ACI accordingly to either develop or transition inquiries through the proposal to order process.

The ideal candidate understands our core values:

- **A**ccountability,
- **C**ustomer Focus,
- **I**ntegrity, and
- **P**rofessionalism

He or she understands and lives these principles. This person wants to be part of a growing team and is able and willing to grow with the business.

We are beginning to review candidates immediately and will continue until we fill the position.
